A Corrigendum on

Understanding Thermostability Factors of Barley Limit Dextrinase by Molecular Dynamics Simulations

by Du, J., Dong, J., Du, S., Zhang, K., Yu, J., Hu, S., et al. (2020). *Front. Mol. Biosci.* 7:51. doi: 10.3389/fmolb.2020.00051

In the original article, there was an error in affiliation 1. Instead of “State Key Laboratory of Biological Fermentation Engineering of Beer, College of Life Sciences, Qingdao Agricultural University, Qingdao, China,” it should be “State Key Laboratory of Biological Fermentation Engineering of Beer, Tsingtao Brewery, Qingdao, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Conflict of Interest: JDu, JDo, JY, SH, and HY were employed by company Tsingtao Brewery.

The remaining authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.
